Combination Rates

Display ads in American Journal of Psychiatry, Psychiatric Services, Psychiatric News, and the APPI Journals are combined to achieve an earned rate.

Insert Rates

Inserts are billed page for page at earned black and white frequency rate.

Earned Rates

Rates are based on the number of ad units placed within one calendar year. Space purchased by a parent company and subsidiaries is combined for an earned rate. Advertisers will be billed at the rate that appears on the original insertion order. Adjustments will be made at the end of the year. Any production errors must be reconciled 3 months from the date the ad ran. Credits not used within one year of issue date will expire and be forfeited. New advertisers may be required to prepay.

Cover and Preferred Position Rates

Cover 2 add 25% of earned b/w rate
 Cover 3 add 25% of earned b/w rate
 Cover 4 add 50% of earned b/w rate
 Preferred position add 15% of earned b/w rate

The publisher may discontinue or relocate preferred positions at any time, in which case no premium will be charged. Aside from paid positions, ad placement is subject to publisher's discretion.

Color Rates

4-color \$1,890 plus earned b/w rate
 Matched color \$1,030 plus earned b/w rate
 Metallic color \$1,270 plus earned b/w rate

Agency Commission

Agencies receive a 15% commission. Color rates are commissionable. Production charges are non-commissionable. Billing the agency at the net rate is approved on condition that the advertiser accepts dual responsibility for payment if the agency does not remit within 90 days.

Non-profit Membership Organization Discount

Non-profit medical, psychiatric, or behavioral science membership organizations placing ads for meetings and symposia are eligible for a 25% discount on the black and white rate if order is placed directly with *AJP*. Non-profit ads are non-commissionable.

DEADLINES

Space reservations, insertion orders, and cancellations must be received in writing by the space deadline. If an ad is cancelled after the space deadline or material is received after the material deadline, the publisher may charge the advertiser for the insertion. In this case, a former ad will be repeated or substitute material requested.
