Rates are based on the number of ad units placed within one calendar year. Space purchased by a parent company and subsidiaries is combined for an earned rate. Advertisers will be billed at the rate that appears on the original insertion order. Adjustments will be made at the end of the year. Any production errors must be reconciled 3 months from the date the ad ran. Credits not used within one year of issue date will expire and be forfeited. New advertisers may be required to prepay.

Cover and Preferred Position Rates

Cover 2	add 25% of earned b/w rate
Cover 3	add 25% of earned b/w rate
Cover 4	add 50% of earned b/w rate
Preferred position	add 15% of earned b/w rate

The publisher may discontinue or relocate preferred positions at any time, in which case no premium will be charged. Aside from paid positions, ad placement is subject to publisher's discretion.

Matched color	\$655 plus earned b/w rate
Metallic color	\$770 plus earned b/w rate

Agency Commission

Agencies receive a 15% commission. Color rates are commissionable. Production charges are non-commissionable. Billing directed to the advertising agency at the net rate is approved on condition that the advertiser will accept dual responsibility for payment if the agency does not remit within 90 days.

► DEADLINES

Space reservations, insertion orders, and cancellations must be received in writing by the space deadline. If an ad is cancelled after the space deadline or material is received after the material deadline, the publisher may charge the advertiser for the insertion. In this case, a former ad will be repeated or substitute material requested.
